Summary Of Recall:

Nestlé Purina PetCare Company today announced that as a precautionary measure, it is voluntarily withdrawing its 5.3 ounce Mighty Dog® brand pouch products that were produced by Menu Foods, Inc. from December 3, 2006 through March 14, 2007. This withdrawal is in response to the recall initiated earlier by Menu Foods, a contract manufacturer that does limited business with Purina as well as with other pet food manufacturers. Only Mighty Dog 5.3 ounce pouch products are being withdrawn by Nestlé Purina, including those pouches contained in multi-packs. Importantly, no Mighty Dog canned products, or any other Purina products are affected by Menu's recall.

What You Should Do:

Return recalled product for full refund.
