

Product Description: Fresh spinach products

Date Recall Posted: 09/15/06

Summary Of Recall: In response to a national alert to consumers from the Food and Drug Administration (FDA), Meijer has removed all fresh spinach products from our shelves while the FDA investigates reports of illnesses in several states.

What You Should Do: The FDA has also advised that consumers not eat any bagged fresh spinach they may already have in their homes.

The health and safety of Meijer customers is very important to us and we thank you for your patience and understanding during this time.
