

August 14, 2007

**Mattel, Inc.** has issued a recall of products which they have determined contain small magnets, which can be a potential safety issue. Some of these items were sold at Meijer stores.

Consistent with our commitment to our customers' safety, Meijer has removed all recalled items from our shelves and is returning them to Mattel for proper handling. In addition, we are working to communicate directly with Meijer customers who may have purchased items to inform them about the recall and provide direction on returning these products.

For a full list of Mattel products subject to this recall and for additional information or questions, you can go to [www.service.mattel.com](http://www.service.mattel.com) or call (888) 597-6597.

Meijer encourages customers to return any product identified in the recall to their local Meijer store so we can return it to Mattel and you can receive a full refund.

Thank you.
