Summary of Recall:

Small magnets inside the building pieces can fall out. Magnets found by young children can be swallowed or aspirated. If more than one magnet is swallowed, the magnets can attract each other and cause intestinal perforations or blockages, which can be fatal.

What You Should Do:

Consumers should immediately take the recalled Magnabild Magnetic Building System away from children and contact Battat to receive a pre-paid mailer to return the toy and to receive a free replacement product.
